

STATEMENT OF PURPOSE

RS21567

This legislation seeks to encourage local farm and agriculture economies by allowing an unregulated and uninhibited relationship between the farmer and/or the farmer's agent and what the bill defines as an "informed end consumer" of the farm product. This bill includes legislative intent which states that the encouragement of local farm and agricultural economies will enhance the economic health of the Idaho communities and physical health of Idahoans. this bill also identifies food self-sufficiency as a desired goal for Idahoans for their local communities.

FISCAL NOTE

There is no fiscal impact to the State's General Fund.
